The Wines of Kosta Browne

Kosta Browne began as a dream shared by Dan Kosta and Michael Browne. In the summer of 1997, while working at John Ash & Co. restaurant in Santa Rosa, California, Dan and Michael decided to venture into winemaking. They saved tip money for about eight months and eventually had enough to buy a half ton of Pinot Noir, a used barrel and an old hand-crank stemmer-crusher, a purchase that marks the beginning of Kosta Browne.

The wines of Kosta Browne are marked by intensity and balance. They are some of the most sought after Pinot Noirs in the world. We are proud to offer a small collection of

The Wines of Littorai

Littorai was founded in 1993 by Heidi and Ted Lemon. Littorai's philosophy of winegrowing is inspired by Ted's years in France and is based upon the concept of terroir. Terroir based winemaking postulates that wine of a single place produced by a single estate, is the greatest expression of winemaking. Ted's wines are beautifully balanced with elegant fruit, while conveying the subtle earth driven character of their vineyards.

The Wines of Bergström

Since his return from Burgundy in 1999, Josh Bergström has managed the Bergström estate vineyards and the contracts between Bergström Winery and their dedicated growers. These wines are celebrated for their opulent texture and have garnered some of the highest scores in Oregon. Our offering of Bergström's wine is a small representation of their unique catalog of single vineyard offerings.
